UNIVERSAL SENSOR ITALSENSOR 3.0EVO

CAPTEUR UNIVERSAL ITALSENSOR 3.0EVO

Italsensor programming tool IT46 (powered by ATEQ)

Italsensor programming tool IT46 (powered by ATEQ)

codice Code	descrizione Description	Durata licenza Licence validity	Contenuto Content	Note Notes
IT-7946	IT46 italsensor - tool di programmazione e modulo OBD <i>IT46 italsensor - programming tool and OBD module</i>	1 anno <i>1 year</i>	Strumento, alimentatore universale, modulo OBD, cavo USB, istruzioni <i>Tool, universal charger and sync cable, quick start, OBD module</i>	Solo programmazione Italsensor <i>Italsensor programming only</i>
IT-7946-EXT	Estensione per abilitare programmazione di tutti i sensori (+12 mesi aggiornamento) <i>Upgrade to enable all programmable sensors (+ 12 months of updates)</i>		–	Prodotto non fisico <i>Non-physical code</i>
IT-7946-UPD	Licenza 12 mesi aggiornamento <i>Software license 12 months</i>		–	Prodotto non fisico <i>Non-physical code</i>
IT-7930	TTD - accessorio per misurazione battistrada <i>TTD- Tyre Tread Depth device</i>		–	Compatibile con IT46 e con VT56 <i>Compatible with IT46 and VT56</i>
IT-7946-KIT30	Starter Kit tool IT46 + 30 Italsensor 3.0evo		1 x IT46 tool (IT-7946) 30 x Italsensor 3.0evo	A scelta tra 30xIT-130/IT-230/IT-230B <i>Free choice 30xIT-130/IT-230/IT-230B</i>
IT-7946-KIT120	Starter Kit tool IT46 + 120 Italsensor 3.0evo		1 x IT46 tool (IT-7946) 120 x Italsensor 3.0evo	A scelta tra 120xIT-130/IT-230/IT-230B <i>Free choice 120xIT-130/IT-230/IT-230B</i>

Strumento di programmazione TPMS Italmatic
Italmatic TPMS programming tools

Vehicle coverage Triggers OE sensors for all cars sold in Europe, USA Displays all sensor data (pressure, battery, temp, ID, frequency) Indicates OE sensor and service kit part numbers	italsensor IT46 + OBD ✓ ✓ ✓
Relearn functionality Provides TPMS ECU relearn procedures (incl. indirect/direct/manual etc) Includes OBDII routines to reset the ECU in <2 min Toyota ECU unlock Sync-ID technology (OBDII routines for Ford, Mitsubishi, Suzuki etc) Pictures indicate OBDII location in car Retrieves and decodes TPMS DTC information	✓ ✓ ✓ ✓ x x x
Sensor programming functionality Universal sensor coverage Programs sensors by wheel set (up to 5 wheels) Retrieves ID from ECU Manual ID entry function Programs sensors from historical data	Upgradeable ✓ ✓ ✓ x

Other functions Tests Remote Key Entry (RKE)	✓
Hardware & Software Display Power OBDII-module Dual RF antenna (315/433 MHz) Protective rubber sleeve Drop tested (X,X m.), IP54 etc etc Soft touch keyboard SD card stores 65k vehicle jobs in the tool and on PC Wi-Fi capable to synchronise jobs to PC VIN barcode scanner to select Make-Model-Year (US only)	3.5" LCD Lithium battery ✓ ✓ ✓ ✓ ✓ x x x
Compatible accessories TTD- tire tread depth Dockingstation + IR thermal printer	✓ x
